

GE GAURANG
ENTERPRISE

**Manufacturer of Food
Processing Machine**

A Quality Product For Quality People....

» About Us

We, **Gaurang Enterprise**, based in Ahmedabad (Gujarat) with pleasure would like to introduce ourselves as a notable business entity that came into existence a year back in 1990 with the motive of becoming the largest Manufacturer, Supplier and Exporter. With our fair business and with support of our dynamic team we will soon achieve our objective in the coming years, Panipuri Machine, Khakhra Making Machine, Papad Making Machine, Chapati Making Machine & Food Machine etc.

Under the guidance of our Mentor, **Mr. Jasmin Kankrecha**, we have able to create a huge organization with the help of his knowledge and skills, we have gained top position in the market.

» Research & Development

The Company has an extremely experienced Research, Development & Design department staffed by personnel from both food equipment as well as food industry. It is well equipped with latest equipment and facilities to keep abreast of latest trends in technology.

» Our Vision

We want to become the largest and innovation player in developing food machines to automate all processes in the most economical price in India.

» Our Mission

Our Mission is to satisfy the needs of our customers. We have specialized team for fulfilling the requirements of our clients and to give them appropriate service whenever the need.

» After Sales Service

After sales service plays an important role in customer satisfaction and customer retention. It generates loyal customers. And we provide best service to our loyal customers.

» Why Us ?

- International quality range
- Team of experts
- Well equipped manufacturing
- Total quality management
- Competitive prices
- Training & service support
